**Annual Meeting,  
...1899...**

**AMERICAN  
OXFORD DOWN RECORD  
ASSOCIATION.**

**Springfield, Ill.,  
Nov. 15.**

The annual meeting of the American Oxford Down Record Association was held at the St. Nicholas Hotel, Springfield, Ill., Wednesday evening, November 15, President McKerrow in the chair.

A committee consisting of R. J. Stone of Illinois, Dr. B. F. Miller and L. N. Olmsted, of Michigan, was appointed to examine the treasurer's report, which showed a balance of \$712.82 on hand.

Since the last meeting 251 copies of Vol. 7, containing 4602 pedigrees, have been printed at a cost of \$774.65, and \$735.00 has been paid in special prizes on Oxford Down Sheep at State and Provincial Fairs in the United States and Canada.

Members from several states reported that these special prizes are doing more for the Oxford breed than could be done by the Association in any other way. The best way to advertise a breed is to have it well represented at the fairs. Dr. Miller reported ninety-seven entries of Oxfords at the Michigan State Fair.

On motion it was decided to offer special prizes to Oxfords at State and Provincial Fairs and Fat Stock Shows in 1900. The amount to be left to the executive committee.

The secretary was ordered to rigidly enforce RULE 8, which requires breeders to use private ear numbers, which must be given and registered with the pedigree of each animal.

The Secretary received communications from Convention Leagues and business men of Detroit, Cleveland, Chicago and Milwaukee, inviting the association to meet in their respective cities next year. It was decided to hold the next meeting in Chicago, provided a Fat Stock Show is held there next year. If not, the time and place of next meeting to be decided by the President and Secretary.

On motion, the President, Secretary and R. J. Stone were appointed a committee to meet at Chicago Nov. 23rd, with committees from other organizations to discuss the question of a National Show.

Moved and seconded that Vol. 8 be printed when four thousand pedigrees are in, and that copies of specifications be sent to all members of the executive committee and that all receive bids for printing the book. Carried.

Moved and seconded that the Society reserve the right to reject any or all bids. Carried.

The following officers were elected for the ensuing year.

President, GEO. MCKERROW, Sussex, Wis.

First Vice-President, H. J. DEGARMO, Highland, Mich.

One Vice-President from each State and Province represented in the Capital Stock of the Association.

Board of Directors—JOHN C. WILLIAMSON, Xenia, Ohio; B. F. MILLER, Flint, Michigan; A. BORDWELL, Fargo, New York; HENRY ARKELL, Arkell, Ontario; Secretary and Treasurer, W. A. SHAFOR, Hamilton, Ohio.

## **Annual Meeting of the American Oxford Down Record Association.**

The annual meeting of the American Oxford Down Record Association was held at the Exchange Building, Union Stock Yards, Chicago, Ill., Tuesday, December 4th, 7:30 p. m., President McKerrow in the chair.

Full Board of Directors and thirty members present.

The minutes of the previous meeting were read and approved.

The Treasurer submitted his report which showed a ballance of \$1342.77 on hand.

Motion that the report be accepted and committee appointed to examine same. Carried.

A committee consisting of A. L. Wright, of Michigan; Ed. V. Steele, of Ohio and Herbert Wright, of Ontario was appointed to examine the treasurers report.

Mr. Henry Arkell of Ontario, suggested that the number of sheep required to compete for the A. O. D. R. A. specials be changed to 4 yearling rams and 6 yearling ewes. None of the animals to show more than two large front teeth, (a yearling mouth). The money to be divided into 1st, 2nd and 3rd prizes, and allow exhibitors to breed, buy or import as they like.

Dr. Miller of Michigan, suggested that special Oxford Judges be appointed to judge Oxfords for the A. O. D. R. A. specials.

The question of allowing pure bred lambs to compete for the specials offered to grade Oxford lambs at the international show now being held, was left to the Board of Directors, who decided to allow pure bred lambs to compete.

The auditing committee reported that they had found the Treasurers books to be correct.

On motion their report was accepted and the committee discharged.

On motion of Mr. Herbert Wright \$100 was voted for advertising the Oxford breed during the coming year. The placing of same to be left to the President and Secretary.

On motion of R. J. Stone it was voted that special prizes be offered at State and Provincial Fairs in 1901 under same conditions as in 1900.

On motion of Herbert Wright, the amount was made \$30 at each State and Provincial Fair.

Mr. Arkell moved that this Association duplicate the prizes offered to Oxfords by the Pan American Exposition in 1901, amounting, according to preliminary classification to \$306.25. Carried.

On motion of Mr. Bordwell it was decided that specials offered at State and Provincial Fairs in 1901 be divided into two prizes of \$6 and \$4 instead of single prizes of \$10 as in 1900.

Dr. Miller moved that all sheep changing hands after this date must be transfered on the books of the association, and that when ewes are bred the certificate of breeding must accompany the transfer. Carried.

Mr. Bordwell moved that the next annual meeting of this association be held at Buffalo, N. Y., during the Pan American Exposition. Carried.

On motion the rules were suspended and Geo. McKerrow was declared unanimously elected President of the Association for the ensuing year.

On motion the rules were suspended and the President was instructed to cast the ballot for W. A. Shafor, for Secretary and Treasurer.

In like manner H. J. DeGarmo, Highland, Mich., was re-elected first Vice-President.

As has been the custom one Vice-President for each State and Province represented in the Capital Stock of the Association was elected. But three changes were made. The new officers being Ed. V. Steele of Ohio; R. J. Stone of Ill., and A. G. Knox of Pa.

The old Board of Directors consisting of J. C. Williamson of Ohio; B. F. Miller of Michigan; Henry Arkell of Ontario and A. Bordwell of New York was re-elected.

Dr. Miller moved that hereafter all judges be appointed by the President, Secretary and Board of Directors. Carried.

A general report by members showed that the demand for Oxfords has been brisk and prices good during the past season.

Geo. McKerrow & Sons reported "in the fall of 1899 we sold Mr. Wade of Oregon, 25 recorded Oxford Down rams. We met Mr. Wade at the International show and he informed us that this trial of Oxford rams had proved exceedingly satisfactory. He had just sold a bunch of lambs to the experiment station to feed, and that about half of the lambs taken were the Oxford Down half-bloods, while the largest part of their lambs were by rams of other noted breeds. He also said that one of these Oxford rams was the best mutton ram of any breed in Oregon.

This, coupled with the fact that 1st prize on lambs and 2nd on yearlings in the dressed carcass classes at Chicago went to Oxfords and that no breed but Southdowns could divide honors with them on the block, has given us and all Oxford Down breeders a right to be proud of our favorites."

Adjourned to meet at Buffalo, N. Y., September 1901.
